Summary

- ⊕ Alumetal Group reported a relatively good sales volume in 1Q 2023, despite a more difficult market environment in the construction and home appliance industries
- ⊕ In 1Q 2023 there was an expected adjustment in market margins, but still EBITDA per ton remains at a satisfactory level
- ⊕ We expect further pressure on market margins which will have an impact on financial results of Alumetal Group. Our goal in 2023 is to optimize commercial and operational activities in a challenging market environment
- ⊕ The dividend of PLN 10,52 per share (PLN 164,5 mn in total) will be paid on 27 July 2023
- ⊕ An important event in the near future may be a significant change in the shareholder structure
